SELLER LEAD SCRIPT

01 THE OPEN

Hi, is this **(NAME)**? Hi, **(NAME)**, it's _____ with Agentship. I noticed your home on **(STREET)** came off the market recently... are you still planning to sell?

IF NO

Ok, great... out of curiosity, when do you see yourself... making a move?

IF YES

Great. Tell me more about that — what has you wanting to make the move?

BE QUIET. LISTEN. REPEAT AND AFFIRM.

02 WHAT HAPPENED

That must have been frustrating. What do you feel prevented the home from selling the first time?

(R&A) What else?

Is there anything else about how it went that stuck with you? *(until no)*

LET THE FRUSTRATION RUN ALL THE WAY OUT. DO NOT DEFEND THE PRICE, THE MARKET, OR THE LAST AGENT.

03 MOTIVATION

When you first listed, what was most important about selling?

Is that goal still important to you today?

What will that do for you?

Besides **(INITIAL MOTIVATION)**, what else has you thinking about... making a move?

04 THE GAP

We hear that a lot. What we've found is that there's usually a gap between how a home is positioned and what buyers are actually looking for.

That's what we do — find what didn't work the first time and put a plan in place so it doesn't happen again.

05 CREATE CURIOSITY

If you were able to sell and still move to **(DESIRED OUTCOME)**, how would that change things for you? *(R&A)*

A lot of the homeowners we work with had the same experience, and once we adjusted the pricing, the marketing, or how the home was presented, it turned around quickly.

Did your previous agent talk with you about **(SPECIFIC STRATEGY)**?

MATCH THE STRATEGY TO THE FRUSTRATION THEY GAVE YOU — MARKETING, STAGING, OR A PRICING ANALYSIS.

06 RECAP

To recap, the goal is **(MOTIVATION)**, what held it back last time was **(OBSTACLE)**, and ideally you're moved by **(TIMEFRAME)**. Is there anything we missed?

YES

Add it, affirm it, then go to the close.

NO

Go straight to the close.

07 LISTING CONSULT CLOSE

(NAME), based on our conversation — and what a lot of our clients have liked in the past — is for us to simply... set an appointment... to walk the home, look at what the market is telling us, and put a plan in place to get it sold... sound good?

Yes — Ok, what's better for you, weekends or weekdays? *(R&A)* Afternoons or evenings? *(R&A)*

Great, I'm looking at my calendar and have **(DAY) at (TIME)** or **(DAY) at (TIME)** available — which works best for you?

Fantastic. Looking forward to meeting you on **(DAY) at (TIME)**. Is there anything about the home or your goals you'd want me to know before I come by?

08 LAND THE PLANE

Great, thank you so much. I'll send you a text from my personal cell confirming our appointment, and so you can save my number — is this the best number to text you?

Perfect. Looking forward to helping you **(REPEAT MOTIVATION)**. Talk to you soon.

09 NEXT STEPS

Do what you said you would do. Text them, then check the box in FUB.

TEMPLATE

"Hi **(NAME)**, this is **(YOUR NAME)** with Agentship, reaching out as promised. Thank you for taking the time to talk with me earlier. Confirming our appointment at **(DATE/TIME)** — looking forward to putting your plan in place. What's the best email to send a calendar invitation to?"
