OBJECTION HANDLERS

Nine objections. One conversation.

Answer, affirm, then close.

GROW YOUR BUSINESS. KEEP YOUR BRAND.

OBJECTION HANDLERS

BUYER LEAD SCRIPT

01 — THEY THOUGHT THEY CALLED THE LISTING AGENT

Actually, the listing agent represents the seller and their best interests. We're here to make sure you have someone on your side, looking out for your best interests. In fact, I specialize in helping buyers in **(LOCATION)** find and secure the right home at the best price. Make sense?

THE CLOSE

Every objection on these pages ends the same way — you close for the appointment or the buyer presentation. Don't answer and wait. Answer, then ask.

02 — "I'M ACTUALLY LOOKING TO RENT"

I work with a lot of renters on the latest options for home ownership, and I'd be happy to walk you through the process as well. Tell me a little about your search so far. Have you considered owning your own home? *(R&A)*

03 — STUCK ON PROPERTY DETAILS AND QUESTIONS

Great questions — I can tell you're seriously interested in this property. How about this: I'll compile all the data on it, run some comparables to make sure the price point is a great deal for you, email you my findings, then give you a call so we can discuss it together. Is this the only property you were interested in? *(R&A)*

BE QUIET. LISTEN. REPEAT AND AFFIRM.

04 — "I ALREADY HAVE AN AGENT"

Ok, great — how has your home search been so far? *(Listen for whether they truly have an agent or want an exit.)*

Or: great, how many homes have you seen so far? *(No homes usually means no agent. If they have seen homes, ask whether their agent showed them.)*

IF THEY DO HAVE ONE

I so appreciate you calling — and if that's the case, I'm sure your agent would want you to call them. I don't want to step on any toes. Is that fair? I'm happy to help in the future if anything changes.

IF THEY LIKELY DON'T

Oh, ok — have you signed paperwork? If yes, handle it like 03. If no: would you be open to talking about your options? *(R&A until no)*

ASK THIS, THEN CLOSE

What is most important to you about the agent you hire to help you... find your future home?
(R&A — keep asking until they say "that's it.")

Would it be ok if I... walked you through the process of... buying a home?

05 — THEY LIVE OUT OF TOWN

Ok, great — we help homebuyers relocate all the time. What's taking you to **(LOCATION)**? When are you planning to... make a move? *(R&A)*

Great. In that case, would it be ok if I walked you through the process of... buying a home here?

06 — NO URGENCY, "JUST LOOKING"

If we found you the perfect home, would you be ready to... make a move?

IF YES

Great. In that case, we want to be prepared for when that happens, right?

IF NO

Tell me a little more about what you need to do before you're ready to... move forward. *(R&A)*

Fantastic. In that case, would it be ok if I... walked you through the process of... buying a home?

07 — FIVE OR MORE MONTHS OUT ON A LEASE

If we found you the perfect home, would you be ready to... make a move... even if it meant we had to... break your current lease?

IF YES

Great — in that case we want to be prepared for when that happens, right? So why don't we go ahead and walk you through the process of... buying a home?

IF NO

How would you best like to... stay in touch... between now and **(TIMEFRAME)**?

ASK. PAUSE. LET THEM ANSWER FIRST.

08 — INTERESTED IN A PENDING PROPERTY

It looks like that house just went under contract — I hate when that happens to my clients. In fact, I make sure everyone who... works with me... is the first to gain access to new listings. Would that be beneficial to you?

Awesome — let's get you in front of the competition. Would it be ok if I... walked you through the process of... buying your home?

09 — NOT CURRENTLY FINANCIALLY APPROVED

You know what? This happens all the time. What a lot of my clients have liked in the past is for us to... talk to our lender... and put a plan in place so that we can... buy our home... as soon as we're able. Sound good?

Great — I'll put you two in touch. *(Group message the lender and the future client, then set a follow up.)*

BUYER CONSULT CLOSE — USE WHEN THERE'S NO TIME FOR THE PRESENTATION

(NAME), based on our conversation, what a lot of our clients have liked in the past is for us to simply... set an appointment... to walk through the home buying process together, understand exactly what your goals are, and put a plan in place to make sure they're accomplished. Sound good?

Ok — what's better for you, weekends or weekdays? *(R&A)* Afternoons or evenings? *(R&A — check your calendar.)*

Great, I have **(DAY)** at **(TIME)** or **(DAY)** at **(TIME)** available — which works best for you? Fantastic. Looking forward to meeting you.

10 — LAND THE PLANE

Great, thank you so much. I'll send you a text from my personal cell confirming our appointment — is this the best number to text you?

Perfect. Looking forward to helping you **(REPEAT THEIR MOTIVATION)**. Talk to you soon.

TEMPLATE — CONFIRMATION TEXT

Hi **(NAME)**, it's **(YOUR NAME)**, powered by Agentship. Great talking with you. Confirming **(DAY)** at **(TIME)** to walk through the home buying process and put a plan together for **(THEIR MOTIVATION)**. I'll send over a few homes to look at before we meet. Talk soon.

NEXT STEPS

Log the call, set the follow up, and continue with the **Outbound Buyer Script, page 3**. If they didn't set, they go back into nurture with a date on the calendar — never an open loop.

An objection isn't a no. It's the **next question** they need answered.
